Dear Superintendent/President Lewallen:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met November 4-5, 2010 to review the Substantive Change Proposal Addendum from West Hills College Coalinga to add courses that constitute 50% or more of a program through a mode of distance education or electronic delivery.

The Committee acted to accept the Addendum and thanks the College for the additional information. The West Hills College Coalinga Proposal was previously approved at the June 21-22 Committee meeting.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, effectiveness and quality.

Sincerely,

Susan B. Clifford, Ed.D.
