

## Community Education

# German for beginners

### Why German?

- German is the third most taught language in the world.
- German is spoken as a native or minority language through out all of eastern and western Europe.
- German is used in Asian and some European cultures for medicine much as Latin is for medicine in America.
- German is the second most published language for literature.

### Learn:

- Introductions and greetings
- Alphabet, numbers and colors
- Common verbs and nouns
- Basic sentence structure
