

Reference: *Accreditation Standard IV.C.10*

The Board of Trustees is committed to assessing its own performance as a board in order to identify its strengths and areas in which it may improve its functioning.

While the Board of Trustees sees its role of assessing its performance as ongoing, it sets aside time at its annual retreat to conduct a self evaluation among its members.

Board approval date: 4/27/04  
Revised: 12/9/14
