

GIFTS, GRANTS, AND DONATIONS

The Board accepts its responsibility to provide from public funds sufficient supplies and equipment for an effective instructional program; it recognizes, however, that from time to time individuals and organizations in the community may wish to contribute additional supplies or equipment to enhance or extend the instructional program.

The Board has the authority to accept such gifts and donations as may be made to the District. The Board delegates such authority to accept gifts and donations with a value of up to \$100.00 to the Chancellor. The Board reserves the right to refuse to accept any gift which does not contribute toward the achievement of the goals of this District or the ownership of which would tend to deplete the resources of the District.

Any gift accepted by the Board shall become the property of the Board, may not be returned without the approval of the Board, and is subject to the same controls and regulations as are other properties of the Board.

The Board will make every effort to honor the intent of the donor in its use of the gift, but reserves the right to utilize any gift it accepts in the best interest of the educational program of the District.

In no case shall acceptance of a gift be considered to be an endorsement by the Board of a commercial product or business enterprise or institution of learning.
