

Board Policy 3250 District Strategic Planning

Reference: *Accreditation Standard 1.B;*
Title 5, Sections 51008, 51010, 51027, 53003, 54220, 55250, 55400 et seq., 55510, 56270 et seq.

The Chancellor and the College Presidents shall ensure that the district has and implements a broad-based comprehensive, systematic and integrated system of planning that involves appropriate segments of the college community and is supported by institutional research.

The planning system shall include plans required by law including, but not limited to:

- Long range educational master plan
- Facilities plan
- Faculty and staff diversity plan
- Student equity plan
- Matriculation
- Transfer Center
- Cooperative Work Experience
- EOPS and DSPS

The planning system shall also include plans not required by law including, but not limited to:

- Technology Strategic Plan
- Human Resources Plan
- District Strategic Plan
- District Educational Master Plan

The Chancellor shall submit those plans to the Board for which Board approval is required by Title 5.

The District Strategic Plan will be developed by a broad representation of Board members, district staff, college and center staff, the Academic Senates, CTA, CSEA, students, and community and business members. The district's executive team, comprised of the Chancellor, Vice Chancellor of Business Services, and the College Presidents, will have overall responsibility for implementation of the District Strategic Plan and will develop methods for achieving the strategic directions within their respective organizations and units. In this way, plan implementation will be integrated into the ongoing planning and consultation process of each college, site and unit within the district. The implementation process will be integrated into the district's annual planning processes.

Each college will develop an Educational Master Plan that is in compliance with the plans articulated by the District Educational Master Plan.
