

The district is represented by the Chancellor and each college is represented by a President. Working in partnership with the colleges and District governance processes, the Chancellor and the Presidents define policy standards for college operation which are recommended to the Board by the Chancellor for adoption.

It is the role and responsibility of the President to provide leadership of campus level discussion and the shared governance process. The President leads decision making at the college level which directly affects the operation of the college. It is the responsibility of the President to establish and maintain a climate which encourages open discussion and communication across all levels on the campus. It is further the responsibility of the President to promptly communicate college and District decisions to all staff.
