Total.....	21.0 units

## Training Dynamics

Training consists of two theory days per week and one 12-hour training day. Local and other San Joaquin Valley healthcare providers are utilized for clinical rotations. West Hills College Lemoore has a state-of-the-art simulation lab and a comprehensive learning resource center. *WHCL nursing students have the option to enroll concurrently with UOPx to work toward BSN degree while attending our program.*

West Hills College Lemoore will admit students into the ADN program each Fall Semester. LVN to RN students will be admitted each Summer Semester only.
