To be completed by the student's High School counselor after the student has officially graduated.
 (Please check the satisfied requirements)

• **California A-G Requirements for Academic Competitive Grant Consideration.**

- _____ A. **History/Social Science: 2 years required. Two years of history/social science selected from world history, cultures and geography; U.S. history; or, a combination of U.S. History, American government/civics, and economics equal to one year; and**
- _____ B. **English: 4 years required. Four years of college-preparatory English that includes frequent and regular writing, and reading of classic and modern literature. No more than one year of ESL type courses can be used to meet this requirement; and**
- _____ C. **Mathematics: 3 years required. Three years of college-preparatory mathematics that include the topics covered in elementary and advanced algebra and two- and three-dimensional geometry. Approved integrated math courses may be used to fulfill part or all of this requirement; and**
- _____ D. **Laboratory Science: 2 years required. Two years of laboratory science chosen from biology, chemistry, physics, or physical science. Advanced laboratory science classes that have biology, chemistry or physics as prerequisites and offer substantial additional material may be used to fulfill this requirement. Two years of an approved integrated science program may be used to fulfill this requirement; and**
- _____ E. **Language other than English: 2 years required. Two years of the same language other than English. Courses should emphasize speaking and understanding, and include instruction in grammar, vocabulary, reading, composition and culture; and**
- _____ F. **Visual and Performing Arts: 1 year required. A single yearlong approved arts course from a single VP A discipline: dance, drama/theater, music or visual art. Courses used to fulfill this requirement must satisfy the five State standards for artistic perception, creative expression, historical and cultural context, aesthetic valuing, and connections, relations and application; and**
- _____ G. **College Preparatory Electives: 1 year required. One year, in addition to those required in "A-F" above, chosen from the following areas: visual and performing arts (non-introductory level courses), history, social science, English, advanced mathematics, laboratory science and language other than English (a third year in the language used for the "E" requirement or two years of another language).**
