Subject: URGENT: Class Syllabi Needed
Importance: High

Good Afternoon Jason,

West Hills College Coalinga is required to maintain and ensure that all course syllabi have the correct Student Learning Outcomes (SLOs), as approved in the Course Outline of Record (COR). This was one of the compliance recommendations that was cited by ACCJC during last year’s site visit, which contributed to our college’s accreditation warning status.

College Recommendation 10 (Compliance) In order to meet Standards, the team recommend that the College ensure that all course syllabi include the approved student learning outcomes and that the officially approved course outlines contain student learning outcomes. (II.A.3)

The Office of Educational Services (EOS) is tasked to collect and review all syllabi. The most recent report shows that we have not received your course syllabi for the Spring 2018 semester. This important task forms part of your evaluation and my result in a negative notation if it is not submitted. The Office is here to assist you. We have developed a submittal process via the portal ([LINK](#)), but given the importance and short timeline. I ask that you email all of your syllabi immediately by responding to this email with the attached syllabi. I have also included your SLOs to your courses.

Section Name	Course Title	Last Name	First Name	
ATHL-026-C01	Intercollegiate Baseball	Smith	Jason	Coalinga
ATHL-26-C01	Intercollegiate Baseball	Smith	Jason	Coalinga

ATHL026 - Intercollegiate Baseball

CSLO

ATHL-026-CSLO-01: The student will execute 1st and 3rd defense strategies.

ATHL-026-CSLO-02: The student will distinguish proper game strategies specific to an opponent and execute over the course of a season.

ATHL-026-CSLO-03: The student will implement game and season goals.

Thank you,

FRANCISCO BANUELOS

EXECUTIVE VICE PRESIDENT
