Subject: Re: Pulido, Andrea has invited you to 'WHCC Course Syllabi and Other Records'

Andrea,
I have uploaded my Summer 2108 Music 42 Syllabus but have a question regarding my Spring syllabus. I was assigned three classes. Each class was a different length. Should I upload all three of those syllabi or just one?
Thank you,
Lisa

This is the syllabi submission portal page. Please upload your syllabi for spring 2018 and summer 2018 to this location. In the future, you will be able to upload all syllabi to this location. There is training material under "Announcements", the SLO data to the right under "SLO's By Learning Area" and a link to the Educational Services Portal page that houses all forms. Please contact me if you are having trouble uploading your syllabi.
