

WHC Coalinga Vision Statement

West Hills College Coalinga is committed to the relentless pursuit of student success.

Go Falcons!

FARM OF THE FUTURE

This past month Clint Cowden, JR Velazquez, and students Adrian Jenkins and Anthony Pica represented the Farm of the Future at the Annual American Pistachio Growers Luncheon. They were able to learn about the American Pistachio Growers through informational booths that highlighted member-supported programs including nutrition, social media, and APG leadership program. The luncheon also featured guest speaker Victor Davis Hanson. This was a great opportunity for students that have been dedicated to the farm this summer.

The pumpkins and corn for the corn maze have been planted for our annual Harvest Festival. Our student volunteer Anthony Pica has taken on the pumpkin patch as his special project with the help of our Farm Unit Tech, JR Velazquez. The pumpkins have started growing, and we are excited to see them progress!

This year's corn maze is a collaboration with student worker Adrian Jenkins and our Precision Ag instructor Terry Brase. They have mapped the field and designed the maze, and soon it will be ready for us to start cutting the path. This year we plan to have an easier kids maze as well as the more difficult adult maze. Dates for the Harvest Festival have been set for October 27th from 3:00pm – 7:00pm and October 28th from 10:00am – 2:00pm. More information to follow as we get closer to October!

President's Monthly Message

At the last monthly board meeting, the Farm of the Future got the chance to present what we have been up to. Our students Brent Skaggs, Anthony Pica, and Adrian Jenkins each got the chance to speak about their background in Ag, taking our classes, and working on the farm. Program assistant Alissa Trevino also spoke about our upcoming project interviewing students that have gone through our programs, and finding out what they are doing now. For a sneak peak of what we have planned, you can check out the video at: <http://tinyurl.com/FOFComingSoon>

Social Media out at the Farm of the Future

Do you want to know what is going on out at the Farm? Check out our social media sites to stay up-to-date with the latest news from the Farm of the Future. Keep your eye out for weekly videos, pictures and updates.

ATHLETICS

Rodeo Coach Justin Hampton recently reported "I was very excited with the news of WHCC's Rodeo being chosen by its peers as one of the "Top Ten" rodeo colleges in the nation. The article was published in "Rodeo Athletes" and illustrates the past and present as well as our unique facility and student athlete opportunities. We were very excited to be a part of this publication."
