

West Hills Community College
 Intersegmental General Education Transfer Curriculum
 I.G.E.T.C.

Name	SSN or SID #	Birthdate
------	--------------	-----------

The IGETC is most helpful to students who want to keep their options open to either the UC, CSU or independent college system. *Certain students will not be well-served by following the IGETC* (engineering, computer science majors). The IGETC is not an admissions requirement, nor does it guarantee admission to the campus or program of choice. Completing the lower division GE requirements, may improve a transfer applicant's chances for admission to a competitive campus and/or program.

All courses should be completed prior to transfer. However, if you are approaching readiness for transfer and are unable to complete one or two IGETC courses, you may be eligible to complete the IGETC after transfer. See your counselor for details and petition.
