

Board Policy 201 Organization

It shall be the policy of the Board to authorize the Chancellor to utilize the staff of the colleges to best serve the needs of the students and the goals of the District. As such, he/she has authority to organize the administrative structure and assign this goal.

The Chancellor is authorized to develop an Organizational Chart of the District and job descriptions for staff members of the colleges which will be submitted to the Board for approval.

The District Organization Chart is contained in Board Policy 202.

Board approval date: _____
