

Board Policy 7330 Communicable Disease

Reference: *Education Code Section 87408; 87408.6; 88021*

All newly hired employees shall have on file a medical certificate indicating freedom from communicable diseases, including tuberculosis. No employee shall commence service until such medical certificate has been provided to the District.

All newly hired employees must show that they have been examined within the past 60 days to determine that they are free from active tuberculosis and if they have not been examined will then be required to have a tuberculosis test performed.

All employees shall be required to undergo an examination every four years thereafter to determine if they are free from tuberculosis.
