"Once You Go Here, You Can Go Anywhere"™

TO: Board of Trustees

Presented for your review and approval is the West Hills Community College District FY 2010-2011 Adopted Budget.

GENERAL FUND 11 - Unrestricted:

The WHCCD Adopted budget provides:

- * Restoration of Furloughs
- * Step Raises for all Staff
- * Beginning Balance of \$ 4.1 million which is 12.6 % of the 09-10 FY ending fund balance
- * No FTES Growth
- * No Cost of Living Adjustmment (COLA)
- * No proposed change to the \$26/unit fee

The Legislative process currently ongoing in Sacramento may impact the California Community College System. The budget process is working its way through committees and due to an election year we may not see any budget until late in the fall.

- * \$19.1 Billion dollar statewide deficit
- * \$ 80 M dollar base reduction from 07-08 which translates into insufficient resources to fund FTES restoration
- * \$ 35 M dollar federal ARRA funds eliminated (one-time only) with no identified funding replacement
- * \$ 22 M dollar negative COLA reduction
- * \$ 20 M dollar Prop 98 CTE reduction (however ALL SB 1133 resources redirected to CTE)
- * \$ 10 M dollar reduction to each Categorical program (EOPS/PT faculty)
- * \$ 26 M dollar reduction to CalWorks

All of these items are subject to continuing legislative review and analysis and already the Senate and Assembly have different budget plans being submitted to the Conference Committee.

GENERAL FUND 12 - Restricted:

The tentative budget being presented for GF 12 Restricted Funds is based on the last years actual budget amounts, less federal American Recovery Resources Act (ARRA) funds, which have been eliminated, no cola, and no growth funds are included as these are subject to Legislative action. Categorical program budgets will be modified and revised based on official allocation notices, which are usually received September thru October.

While the Governor's May revise included 50% funding reductions to EOPS, CalWorks, CTE as well as application of negative COLA to DSPS, it does not appear that these will make it through the legislative process.

The following pages summarize the District's 2010-2011 adopted budget information.

ACTION:

It is recommended the Board of Trustees approve the Adopted Budget as presented.

When the legislature finally passes a budget we will bring back any mid year adjustments for approval to reflect those changes where applicable.
