

Business Bookkeeping

Business Bookkeeping Certificate of Achievement

The Business Program of study prepares the student for entry level positions in areas such as bookkeeping, management and retailing. The business program provides a foundation for further study and is valuable for students interested in starting or enhancing their own business. The program provides students with an understanding of the operation of business in the American economic system.

Program Student Learning Outcomes

Upon completion of the program, students will be able to:

- demonstrate utilization of a variety of prevailing Microsoft office applications accounting software.
- input and produce reports from business records.
- compose business letters and employment applications choosing the appropriate delivery means.
