

## Associate in Science in Early Childhood Education for Transfer (AS-T)

The Associate in Science in Early Childhood Education for Transfer degree curriculum is designed to provide the opportunity to achieve a broad-based associate degree and a seamless transfer into the CSU system to complete a baccalaureate degree in Early Childhood Education. While a baccalaureate degree is recommended preparation for those considering professional careers in this field, the completion of this program will demonstrate commitment to the field, and provide comprehensive preparation for upper division work. Upon completion of this degree, students will be prepared to enter careers such as teaching, pre- school/child care operation, community service, social services, and government.

### Associate Degree for Transfer requirements

Completion of 60 semester units or 90 quarter units that are eligible for transfer to a California State University.

The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.

A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

Obtainment of a minimum grade point average of 2.0.

A grade of “C” or better in all courses required for the major or area of emphasis.
