

**Associate in Arts in Geography for Transfer (AA-T)**

The Associate in Arts in Geography for Transfer degree is designed to provide students with an understanding of the major aspects of the atmosphere, hydrosphere, lithosphere, and biosphere and how these realms relate to, and interact with the development and functioning of human cultural patterns. The courses have a strong real-world focus. This knowledge will be helpful in the student’s upper-division course work. While a baccalaureate degree is recommended preparation for those considering professional careers in this field, the completion of this suggested program will demonstrate commitment to the field, and provide comprehensive preparation for upper division work. The Associate in Arts in Geography for Transfer degree is designed to prepare students for a seamless transfer into the CSU system to complete a baccalaureate degree in Geography or similar major.
