

## Associate in Arts Degree in Kinesiology for Transfer (AA-T)

The Kinesiology curriculum is designed to provide the opportunity to achieve an associate degree in the student's area of specialization. While a baccalaureate degree is recommended preparation for those considering professional careers in this field, the completion of this suggested program will demonstrate commitment to the field, and provide comprehensive preparation for upper division work.

To earn the Associate in Arts degree in Kinesiology for Transfer (AA-T), a student must:

Complete all degree course requirements in the major as outlined below with grades of C or better.

Complete a minimum of 60 CSU-transferable semester units with a minimum grade point average of 2.0.

Complete either the CSU General Education Breadth pattern (CSU GE-B) which requires a minimum of 39 units, or the Intersegmental General Education Transfer Curriculum (IGETC), which requires 34-38 units.

Double counting of courses is encouraged and permitted. Students are not required to complete the West Hills College Lemoore's local graduation requirements (Health Education 35 and two units of activity courses, if applicable).

### Core Courses

Course #	Title	Units
KINES 1	Introduction to Kinesiology .....	3
BIO 32	Human Anatomy .....	4
BIO 35	Human Physiology .....	4
PE Activity Course Select any three courses from list below: .....		3
PE 2, 11, 16, 23, 25A		

Choose 8-9 Units from below:

Course #	Title	Units
MATH 25	Introduction to Statistics.....	4
PHYS 2A	Mechanics & Thermodynamics .....	4
<b>Total .....</b>		<b>22</b>
CSU-GE or IGETC requirements (allowing double counting).....		34-39
Electives (must be transferable to CSU).....		0-4
<b>Total .....</b>		<b>60</b>
